COMPANY PROFILE

V-LITE ELECTRICALS was promoted in the year 2011 by Mr. Rohit Khandelwal & Mrs. Ila Bansal (B.E. ELECTRICAL). V-LITE is sister concern of Valiant Electricals Pvt. Ltd. which has 35 years of experience in manufacturing of HID Lamps and its accessories. VALIANT is doing OEM of HID lamps for big lighting brands for more than 3 decades.

The Company Manufactures & market LED Solar Light, Solar Poles, Decorative pole and Industrial Lighting under the brand name "V-LITE".

V-LITE ELECTRICALS is an emerging name in the field of solar powered lighting systems. , **V-LITE** has created a name for itself in creating cutting edge solar lighting systems such as Solar Street Lights, Solar Poles, Solar trees etc.

V-LITE ELECTRICALS has a fully integrated production facility right from product design, manufacturing of solar panels and die casting and fabrication facilities. In house testing setup to ensure quality of each component as well as finished products and third party certifications to ensure that each product that is shipped out of the facility is in accordance with high quality standards that V-LITE is known for.

We are covering the product range matching international standards. We keep upgrading our product as per market requirement.

Our Goal is to be market Leader in Solar Lighting Products.
